

**Z-57 & Z-58**

**Greater South River City Combined Neighborhood Plan**

City Council  
March 2, 2006

Motion #	Council Action	Notes	Votes Required for 2 <sup>nd</sup> /3 <sup>rd</sup> Readings
Z-57	Approve on 2 <sup>nd</sup> /3 <sup>rd</sup> readings an ordinance amending the adopted Greater South River City Neighborhood future land use map for Tract 35 from an Office to Commercial land use designation.	Two valid petitions have been filed:  <u>Property Owner</u> : Opposed to any zoning other than GR, GR with a CS footprint, or GR-CO-NP as approved on 1 <sup>st</sup> reading.  <u>Neighborhood</u> : Opposed to any zoning other than GO or GR-CO-NP. The CO prohibits auto washing, sales and rental, exterminating services, drop-off recycling, pawn shops, bail bond services, commercial off-street parking, service station and any type of industrial uses as accessory uses; require a 10' vegetative buffer along Woodland and IH-35; limit access on Woodland to right-in and left-out only	5
Z-58	Approve on 2 <sup>nd</sup> /3 <sup>rd</sup> readings an ordinance rezoning Tract 35 from GR to GR-CO-NP as approved on 1 <sup>st</sup> reading.	Due to the specificity of each petition's conditions, the only action that would not trigger a supermajority vote is to rezone the property from GR to GR-NP. The NP, as proposed, would in no way add to or alter the permitted uses or development standards permitted under GR. Adding the NP in this case would merely identify the property as being located within an adopted neighborhood planning area.	Any zoning other than GR-NP = 6  GR-NP = 5
